

Registration Department

HQ, BIS

Our Ref: Registration/CRS(E & IT Goods)

24 June 2016

Subject: Online Submission of Renewal of Registration Application

In the BIS portal for Registration, there is provision for online submission of the application for renewal.

All registered manufacturers are requested to submit the Renewal Applications online through BIS portal. With effect from 11 July 2016, renewal applications will not be accepted without online submission of the application. Physical documents are also required be submitted to BIS within 15 days after online submission.
