

Registration Department

Ref : Registration/G-12

Dated 15th July 2020

Subject: Publication of Information under Smart Registration process to preserve confidentiality of product prior to their launch in Indian Market – Reg

Request received from the ICEA to preserve the confidentiality of product, published on CRS portal prior to launch.

The following guidelines are issued:-

1. The applicant who wishes to preserve confidentiality of the product till the date of the launch of product, shall submit the request in this regard through email registration@bis.gov.in, citing the “CRS ID/Inclusion ID - Request for Preserving Confidentiality of Product” and indicating date till which the information shall be withheld from publication in the public domain.
2. After grant of registration/inclusion of model, the information shall be withheld from publication in the public domain by BIS till such date as requested. The applicant, however will be able download the registration letter from the portal with details of product/model/brand.
3. The applicant shall not make public claim regarding such registration with BIS till it is published by BIS.
